ABOUT THE SHOW With "Quiero Mi Boda," MTV Tr3s takes an inside look at cross-cultural weddings and the hustle and bustle surrounding them. Weddings are a special event in the life of a couple: a day where not only two people join in matrimony but also a day when two families unite. Now imagine these two families being from completely different cultural backgrounds: different tastes, traditions and sometimes even different languages. That is "Quiero Mi Boda," a show that will go behind-the-scenes as these unique couples' lifetime unions come to life.
